Commissioner for Patents

Sir:

At 14:06:14 today, May 30, 2008, the Patent Office acknowledged receipt of a Terminal Disclaimer that we submitted in response to the Office Action dated January 30, 2008, on the above-referenced application. We inadvertently neglected to include a one-month extension of time request with that submission, and it is now being submitted, along with the identical Terminal Disclaimer that was filed earlier today.

We respectfully request that this submission replace the one previously submitted. We further request that a credit be processed to our credit card for the \$65 previously authorized, and that the charges shown on the attached Fee Transmittal replace that initial fee.

We apologize for the inconvenience our error has caused.

Respectfully submitted,
